September 28, 2009

Dear George,

2 Days + 80 Geocaches + 100's of delighted Geocachers = Great Adventure.

The Calgary Area Cachers would like to thank GPS Central for being the Major Sponsor for the Calgary Cache and Release Summer 09 (CCARS09) event. With your generous sponsorship we were able to add extra elements to this year's event that we wouldn't have been able to do otherwise. Custom car flags were provided to all participants, which added a great level of excitement and camaraderie to the rally. It was easy to recognize your friends and competitors and many friendly 'honks' were shared as people passed one another on the roads.

The rally began on Friday, September 25th at 5:30pm and teams raced around the city until midnight when they gathered at a local restaurant to 'Crash and Relax', eat breakfast, visit, and then head back out on the trails. Some groups went home to sleep for a few hours, while others carried on until dinner at 5:30pm the next day. The wrap-up party was a great success. As car flags waved in the parking lot, Nick's Restaurant was packed with Geocachers sharing stories and pictures of their adventure. Votes were made for the best caches in each category and many great prizes were awarded – including the GPS Central Door Prize - an HP Netbook! Everyone thoroughly enjoyed this year's event and many people are already planning their caches for next year.

We are so thrilled that GPS Central played a major role in the Calgary Cache and Release event, and we enjoyed promoting your company through the event website, on the car flags, and during the wrap-up dinner.

Yours sincerely,

Pam Swan (PrairieSwan) and Miles Finlay (peanutbutterbreadandjam)
Event Committee
