

Tips to test your Iridium GO!®

- 1 Raise the antenna upright toward the sky
- 2 Connect your smartphone to the Iridium GO! Wi-Fi network
- 3 Log in to the Iridium GO! app (default user name and password are "guest")
- 4 Select the Call icon and dial 00-1-480-752-5105 (or select "US" and dial 480-752-5105)
- 5 Press the green Call icon
- 6 Listen for the successful call completion message

Once you have confirmed that your Iridium GO! is operational, test your device regularly to ensure it will work when you need it most.
